I understand and agree that health and accident insurance policies are an arrangement between the insurance carrier and me. I authorized payment from my insurance carrier directly to Dr. Steven J. Melilli with the understanding that all monies will be credited to my account upon receipt. However, I clearly understand and agree that all services rendered to me are charged directly to me and that I am personally responsible for payment. I also understand that if I suspend or terminate my care and treatment, all fees for professional services rendered to me will be immediately due and payable. In the event of default, I promise to pay legal interest on the indebtedness, together with such collection costs and reasonable attorney fees as may be required to affect collection.
